

EUROPEAN ALLIANCE TO
SAVE ENERGY
Creating an Energy-Efficient Europe

EUROPEAN ENERGY EFFICIENCY DAY

12 OCTOBER 2023

EVENT AGENDA

Online & in Brussels

Venue: L42, Rue de la Loi 42, Brussels

The second edition of European Energy Efficiency Day takes place on 12 October 2023 in hybrid format. This high-level conference will bring together leading policymakers, business players and civil society organisations. The event is a unique platform to discuss energy efficiency as cost-effective and socially fair decarbonisation solution to achieve the EU Green Deal.

ABOUT THE EUROPEAN ALLIANCE TO SAVE ENERGY

The European Alliance to Save Energy (EU-ASE) aims to advance the energy efficiency agenda in the European Union. The Alliance allows some of the world's leading multinational companies to join environmental campaigners and a cross-party group of Members of the European Parliament. EU-ASE business members have operations across the 27 Member States of the European Union, employ over 340.000 people in Europe and have an aggregated annual turnover of 115 billion.
